FAIR DIRECTORS BOOST PRICE OF ADMISSION

WILL COST YOU MORE TO GET INTO THE HOLLAND FAIR THIS YEAR

All Fairs Are Boosting Their Admission Price and Holland Also Needs the Money

You will have to pay an extra dime in order to get into the Holland fair this year. But who cares—the fair deserves our support and a dime more or less in its behalf is not begrudged by loyal Holland citizens.

Those who do kick and there will be some are poor sports and their public spirit for their town and their fair is at a very low ebb. Allegan raised. Grand Rapids has also done so and all other fairs about the state are boosting.

Like everything else the Holland fair directors have bumped up against the H. C. L. the same as is felt by every one else. The Killies band the biggest attraction ever and all the other free attractions cost a great deal more than formerly. Labor at the fair is nearly double in price. Hay, straw, lumber and all the necessities incident to a fair have gone sky-high. Sure the directors are not going down in their pockets to run a fair for the edification of Holland and vicinity after they have already done days and days of hard work with no pay, especially when only a dime stands in the way of filling up the gap.

Children's admission tickets will remain the same but adults will have to pay 50 cents instead of 40c.

Here are the rates as given by Secretary Arendshorst:

Single admission, adults 50c
Children over 8 and under 12 . 10c
Children under 8 when accompanied by an adult, free.

A single horse and carriage or double team and carriage, motorcycle or automobile, not entered for premium and kept on the grounds during fair, admission 25c.

PICNICKERS NEARLY BURN UP HIGH- LAND PARK

BUILD FIRE ON FLOOR OF THE PAVILION TO KEEP WARM

For the pleasure of picnickers at Highland Park near Grand Haven, the association has placed along the beach small pavilions with tables.

The picnickers are given free use of these innovations, but the other day a lot of fool resorters after a little rain built a fire on the floor of one of these pavilions in order to keep off the chill.

The fire soon communicated to the roof and a bucket brigade from the hotel put the fire out.

The pavilion was in close proximity to a bunch of cottages, and the large hotel, and it can easily be imagined what the results might have been, had the hotel fire department not been on the job quickly.

The wisdom of some people is very questionable indeed.

The cozy little pavilions are for the free use of the people and in this case an ignominious might have burned up the whole park, its beautiful trees, destroying thousands of dollars worth of property.

It is no wonder that the officers of park associations are held to be cranks, in fact they cannot be too cranky, for it seems to be the only method by which a resort can be regulated.

PARENTS KILLED, THREE LITTLE SONS SAVED

LITTLE TOTS TRY TO LIFT THE AUTOMOBILE FROM PARENTS

A tragic accident happened in Allegan county a few days ago when Herbert Scott of Kalamazoo and his wife were killed. Mr. and Mrs. Scott were sitting in the front seat and three little sons, two of whom were twins were sitting in the rear seat. The automobile was slowly bowling down the road for Pine Lake where the family was to spend the week-end, when without warning the automobile slid over an embankment, turned turtle, instantly killing both Mr. and Mrs. Scott.

The three little fellows crawled from under the debris uninjured and were all three doing their best to lift the automobile from their parents, which of course was beyond their childish strength. All tired out they crawled to a neighboring house for aid, and one of them was smart enough to call up Plainwell for a doctor. When the help and the doctor arrived life in both instances was extinct.

For the first time in Holland's history newspapers will be delivered in this city Friday by airplane. On Friday noon the Grand Rapids Press will deliver its noon edition in this way to this city. The papers will be taken to the local news depot and then distributed to the patrons in the usual way.

"CAN'T MARRY YOUR COUSIN" SAYS THE LAW

HOLLAND MAN ARRESTED; PERJURY IS THE CHARGE MADE

Made False Statement In Securing A Marriage License To Wed

During the month of July, Julian Slotman of Dunningville came to Holland and secured the consent of Miss Florence Bruschat to marry.

He jumped on the train for Grand Haven and secured from County Clerk Orie Sluiter a marriage license. In securing the license he was asked whether he understood the marriage laws of the State of Michigan, and what they involved. The regular questions were directed to him the same as to others including the question, whether there was any legal impediment that would prevent him from marrying the lady in question. He swore at that time that there was not.

Judging from later developments it was found that Slotman married his full cousin, as the mother of the girl and the mother of the man are full sisters.

Intermarrying of first cousins is absolutely forbidden by the state law, and the father of the bride upon hearing of the marriage at this late date made complaint against his new son-in-law, charging perjury, stating that Slotman knew at the time when he secured the marriage license that his intended bride was a first cousin.

Slotman had little to say in the matter when arrested as he waived examination and was bound over to circuit court for trial by Justice Van Schelven.

The bail was placed at \$400 which his father furnished.

No doubt this strange case will come up at the November term of circuit court.

This is the first case of this kind that has ever been brought to court for trial under this law in Ottawa county.

COUNCIL SAYS "NO," TURNS AROUND AND SAYS "YES"

FIRST VOTES DOWN SALARY INCREASE BY VOTE OF 7 TO 4

Holds Private Session and Votes For the Increase By a Vote Of 9 to 2

The salary raising question again engaged the attention of the council for several hours at its meeting last evening. The first division came when the board of public works sent in a communication requesting a raise to \$1800 for Wm. Winstrom clerk of the board. A vote was taken without discussion. All the aldermen with the exception of Ald. Lawrence were present. But only four voted yes on the question, namely Kammeraad, Dobben, Wiersma and Vander List. All the others said "No." Mayor Bosch arose and expressed his opinion to the council that the action they had taken in voting down the request was a mistake. That ended it for the time being.

But later the aldermen foregathered for nearly two hours by themselves in a committee room adjoining the council chamber. What arguments were used there or what pressure was brought to bear was not revealed later when the aldermen reconvened in formal session. Again a vote was taken without comment. This time the opposition to the salary increase had dwindled down to two. Aldermen Prins and DeVries stuck by their guns and voted "no" a second time, and thus Mr. Winstrom won his raise.

There was a proviso however. That proviso was that the salary of this official is not to be raised for the next 12 months, beginning August 18, 1919, and ending Aug. 18, 1920.

No comment was made by any one on this vote, with the exception of Ald. Prins, who in an aside said, "He can go any time what he likes anyway, so what's the good of raising every time he says he is going away?"

For the rest the action went thru on well greased skids, without any comment of any kind. Apparently the aldermen had ironed out all differences in their private session in their committee room.

REV. TUUK AND FAMILY LEFT HOLLAND TODAY

UMBRELLA AND SILVERWARE GIFTS OF BIBLE CLASS

Rev. E. J. Tuuk and family left for Englewood, Ill., this morning after serving the 9th street Christian Reformed church in this city for eight years.

A farewell was given in his honor at the church parlors under the auspices of the Men's and Ladies' Bible Classes of the church.

On this occasion the dominie was given a beautiful silk umbrella, while Mrs. Tuuk was remembered with a set of silver, consisting of forks, knives and spoons.

The gathering wished Mr. and Mrs. Tuuk god-speed and success in their new charge.

NAUTA NAMED SUPERINTENDENT OF PUBLIC WORKS

HIS APPOINTMENT IS CONFIRMED BY COMMON COUNCIL LAST EVENING

Salary Is Placed at \$2,500; Has Been With the City For Many Years

Holland today has a new superintendent of the board of public works. The common council by concurring in the action of the board at its last meeting clinched the matter, and Abraham Nauta from now on will fill the position occupied for the past year or two by Carl Bowen and before that for many years by Roy B. Champion.

Mr. Nauta has been in the employ of the board of public works for many years as city electrician. He came into the employ of the board as a very young man and has gradually worked up until he has reached the highest position in the gift of that organization.

Mr. Nauta is considered by many manufacturers who depend on power furnished by the city as one of the ablest men that have served the city. He has been the right hand man of the former superintendents and it was most frequently he who was called for when an emergency arose.

The new superintendent is largely self-taught in the work that he is called upon to do, but during many years he has secured a practical education in the work that is considered to be very valuable to the city. The employees of the board who will work under him are enthusiastic in their expression of confidence in him, and the board and council believe that the affairs of the department are in good hands.

Mr. Nauta's term of office begins August 18 and his salary was fixed at \$2,500 a year. He has been acting superintendent since the resignation of Mr. Bowen a month or two ago. The council concurred in the action of the board by a unanimous vote.

HIGH SCHOOL GIRL BECOMES NOTED SINGER

HOLLAND TALENT HAS BECOME RENOWNED OUTSIDE OF THE CITY

Miss Thelma Combs, a former high school pupil, who moved to Chicago about two years ago, has developed into a talented singer.

For some time she has been studying music in Chicago and her wonderful voice qualities were recognized by one of the Chautauqua systems.

She has entered into a contract with the Coit-Alber Chautauqua Co. of Cleveland, O., and this winter will travel through the south with that company.

Miss Combs is musically inclined, and not alone does she show an aptness in voice, but is said to be an efficient artist on the bass viol, and on the violin cello.

At the local high school it was already noticed that Miss Combs had musical talents that could be brought out through proper development.

GOOD SCORES MADE AT RIFLE SHOOT

A very successful rifle shoot was held by the Holland Rifle club Wednesday afternoon on the rifle range. This will probably be the last shoot of the season, at least until the new ammunition arrives, the club having run out of ammunition. There were 30 shots apiece yesterday, and the possible score was 150. Twenty shots were fired at rapid fire, which means five shots had to be fired in 30 seconds.

All the scores were high, but the 12 highest were: Lieut. Peter Prins, 130; Wm. Woldring, 126; Niel De Weerd, 125; M. Vander Bie, 124; C. Van Zyl, 124; C. A. Bigge, 123; George Woldring, 122; P. Dulyea, 117; Dick Homkes, 114; Chris Korose, 112; John Hoffman, 112.

WAS ANXIOUS TO HAVE TAXES RAISED

Here is a case of a tax payer not being satisfied with his taxes because they are not high enough. Perhaps you don't believe it, but it is the gospel truth. This tax payer solemnly went to the tax gatherer and said that he wanted them raised, that he believed he was not paying enough, that he would pay more, that in fact he would not feel at all right about it if he should not be allowed to have his assessment raised.

And this wonderful "he" is none other than the city of Holland. The city was paying taxes on \$452,000. But the ways and means committee and the aldermen thought that Holland should pay on no less than \$500,000. A conference was held on the subject with the board of public works, that that body also was of the same mind. And so the city went to the treasurer and appealed for an increase in taxes. Needless to say, no great obstacles were raised.

WILSON SENDS BACK CHECK TO THIS CITY

SAYS HE CANNOT MAKE USE OF THE MONEY FOR LACK OF POWER

Suggests Money Be Sent to Member of Congress; Council Adopts Suggestion

President Wilson cannot accept the donation of \$100 that the city of Holland made some weeks ago as the nucleus for a fund to build a monument in France for America's dead heroes. The chief executive of the nation has no power to use this money or start such a movement, he wrote to City Clerk Overweg, in a letter that was presented to the common council last evening. The president suggested that the matter be taken up with some members of Congress, as congressional action would be necessary in the matter.

Acting on this suggestion the council decided to send the same \$100 check to Congressman Mapes with the request that he take it up with the Michigan delegation with a view of having congress take action. The President's letter follows: The White House, Washington.

27 August, 1919

My dear Sir:—
Under date of July 22nd you were kind enough to write me, enclosing a check for \$100 as a nucleus for the erection of a memorial in France in honor of "Our Boys" who have given their all in the fields of France. Since receiving your letter, I have taken counsel with a number of my colleagues here, and we have been driven to the conclusion that there is no governmental agency which could handle such a project. It is a matter for legislative action, for without legislative authority neither the President nor the War Department would be in a position to act. I respectfully suggest, therefore, that this very interesting and patriotic design be brought to the attention of the Congress through the representatives of Michigan.

I return herewith the check. With much appreciation of the generous purpose displayed in the suggestion.

Cordially and sincerely yours,
WOODROW WILSON.
Hon. Richard Overweg,
City Clerk,
Holland, Michigan.

EMPLOYEES OF CITY PUT ON AN "ALLOWANCE"

When is a raise not a raise? That question was most adroitly answered by the common council at its session last evening when it neatly got around the Holland city charter by calling a "raise" an "allowance." The charter provides that the council has no legal right to raise the salaries of the city officials who come under the provisions of the salary ordinance, but the council wanted to raise said salaries. So they went into private session in a committee room and when they came out again the word "raise" had been wonderfully transmuted into the word "allowance," and the raise (no "allowance") went through.

But an onion by any other name would smell as strong. That the "allowance" is in reality a "raise" was shown by the fact that one or two aldermen, in putting the motion used the word "raise" but were promptly corrected by others who substituted "allowance," so as not to get it wrong in the records.

The formal motion passed by a unanimous vote of the aldermen present was: "Moved that the city employees coming under the salary ordinance be given an allowance of ten per cent from September 1, 1919 to January 1, 1920, and that the janitor be given a like allowance for the same period." The motion was offered by Ald. Prins and it was passed by unanimous vote.

This salary raise has been under consideration for several weeks, it is understood. But the bugbear of legality stood in the way. What arguments were used to persuade the aldermen that an allowance is legal while a raise is not, did not develop at the formal session, as the whole thing was put through without a word of comment, all the quarreling having been done in the committee room in a nearly two hours' session.

Anyway, the city employees will have their raise, even if it is called an allowance.

BALL GROUNDS FOR THE USE OF ALL

The base ball park that is under the supervision of the board of public works is for the benefit of all the ball players of the city and not for the sole benefit of a professional team. This was agreed on between a committee of the council and the board of public works, and the agreement was confirmed by the common council.

The professional ball teams may use the grounds as heretofore, and at such times the scrub teams must stay off. But amateur teams may use the grounds at other times. However, it will all be done in orderly fashion. The team wishing to use the grounds must make application a day in advance to the clerk of the board so that there shall be no confusions. It will be a case of one at a time, first come, first served.

HAMILTON

Mr. and Mrs. Frank Peters and family of Jamestown visited folks in Hamilton.

The Rev. and Mrs. Meengs were surprised by the young people of the Fairview church of Grand Rapids. There were seven auto loads.

Friends from Hamilton and several acquaintances from Drenthe composed a jolly party at the home of Mr. Tanis.

The Classis of Holland met here Wednesday. Dinner and supper was served in the church basement. Two addresses were given at night.

The Hamilton base ball team has added another victory to its list in defeating Drenthe 5 to 4. The game was a fast, clean one.

Labor day was a happy one for the people, especially children of the 1st Reformed church. The day was spent at Saugatuck. Swimming races and baseball games were the special features. The band furnished the music.

Mr. and Mrs. Ben Tanis and family were in Hamilton Sunday.

Mr. and Mrs. Bert Ter Haar and Mr. and Mrs. H. Tanis motored to Moline last Friday.

Mr. and Mrs. Oldebekken are once more in Hamilton. They spent the summer on the farm.

DRENTHÉ

Miss Jennie Vis left for Rochester, N. Y. last Friday where she expects to teach another year.

Dr. John J. Brouwer of Oakland has opened offices in Holland to practice dentistry.

Mr. and Mrs. Clarence Lanning and family of New Jersey are now spending a short visit with relatives here.

John Opholt spent the past Sunday in Grand Rapids.

Mr. and Mrs. Harm Van Spyker of Grand Rapids spent a couple of days with their parents.

Mr. and Mrs. H. Ver Hulst and daughter of Hamilton, Mr. Cornelius Lucas and sons of Moline spent Labor day at the home of C. Ver Hulst and family.

School opened here Tuesday morning with Jennie Nyenhuis and Johanna Van Hattma as teachers.

Grace T. Lanning of Holland called on E. K. Lanning and family last Sunday.

Rev. D. R. Drukker of Zeeland occupied the pulpit here Sunday afternoon while our pastor, Rev. Vander Werp took charge of the services at Jamestown that day.

John J. Roek is home from Detroit on a month's vacation with his parents.

Mr. and Mrs. G. W. DeVries and son spent Sunday and Labor day with Mr. and Mrs. H. A. Lanning at Holland.

Mr. and Mrs. B. Ter Haar and daughter Ada of Hamilton spent the past Sunday at the home of H. Van Dam.

Mr. and Mrs. D. Nies of Zeeland spent Sunday with Miss Johanna Yntema.

Miss Tena Kamps of Grand Rapids spent Labor Day with her parents here.

Born to Mr. and Mrs. E. K. Lanning—a daughter the past week.

TEACHERS START SCHOOL YEAR WITH BANQUET

For the first time in the history of the Holland Teachers' club that organization started out the school year with a banquet. The usual custom is to begin the year with a general business meeting when the teachers talk things over and when they get in touch with one another. This meeting is always held on Labor day afternoon, so that it has become a regular part of the school year.

But this year all the purposes of that annual meeting were served and in addition the teachers had a very enjoyable time. The gathering took the form of a banquet held in the dining rooms of the M. E. church, and the service was by the ladies of that church. The banquet was given by the Holland Teachers' club and was in honor of the new teachers of whom there are an unusually large number this year. Ninety-four persons sat down to the banquet board at six o'clock Monday evening.

Supt. E. E. Fell gave a friendly talk in which he made the new teachers feel at home and in which he welcomed the former teachers back to the same pleasant relationship as before. The balance of the program was as follows: solo by Miss Tedrow, new teacher of music for the high school and the Junior high school; address by Dr. A. Leenhouts, president of the board of education; address by Principal J. J. Riemersma; address by Miss Anna Koly; address by Miss Ada Dick, new teacher of the fifth grade in the Froebel school, on "Looking Forward;" address by Mr. Carl Horne, director of physical education for boys; address by Mr. George Starr Lasher, former English instructor in the U. of M. and U. of Chicago, who has just returned from a six months' stay in France doing educational work; address by Prof. John C. Hoekje, of the extension Division of the Western State Normal; violin solo by Miss Ruth Keppel, director of the Junior high school orchestra.

The affair was most enjoyable. As each person took his seat he or she gave name and position and in this way all soon became acquainted with one another.

Mrs. Henry Den Uyl, and son Donald and Miss Bessie De Pree are visiting friends in Grand Rapids.

STEALS FROM HOUSE IN THE DAY TIME

Friday Frank Reesquie called for his sister who was rooming at the home of Ethel S. Gale, West 9th St. Upon leaving the house he took two grips filled with his sister's belongings.

Shortly afterward the Gale's found some of their goods missing and notified the police, who immediately suspected Reesquie. Officer P. Bontekoe was detailed on the job, and left for Muskegon where gathered his man in together with the grips.

When these were opened it was found that three dresses and a sweater belonging to the Gale's and a shirt belonging to W. J. Crabb were neatly tucked away in an obscure part of the hand bag.

Reesquie admitted the taking of the goods and was brought back to Holland on Labor Day by the officer, and lodged in the city jail.

He waived examination when arraigned before Justice Robinson, on the charge of stealing from a dwelling house in the day time.

Not being able to get bail he was sent to the county jail awaiting his trial.

The penalty for this crime is all the way from one to five years in Jackson prison.

RAILROAD AND AUTOS ARE TOO SLOW FOR HIM

The airplane as a commercial agency has reached Holland. The interurban has become too slow to carry on the business between this city and other towns and the automobile also is not fast enough to take care of the work.

This afternoon an airplane landed in Holland for the purpose of taking to this city from the city of Grand Rapids a passenger who was so rushed for time that he was unable to go by the usual means of transportation. Harry A. Shields of the Grand Rapids Textile Company was the passenger and he came to Holland to pay a visit to the Western Machine Tool Works where he was called to inspect some machines which the Holland firm is making for the Grand Rapids concern. Being pressed for time, Mr. Shields employed the services of a commercial aviator and his machine and landed in Holland on the fair grounds twenty minutes after leaving Grand Rapids. He buzzed out of Grand Rapids at 1 o'clock, arriving in Holland at 1:20.

The airplane Thursday afternoon, is made by the Rosenswift Airplane Company of Grand Rapids, manufacturers of a commercial machine. The plane Thursday afternoon was the first one turned out by that company and it was the first trip made by that machine except for the trial trips by which it was tested. The journey to Holland was the first time that the machine earned a bona fide fare by carrying a passenger.

After inspecting his machines at the Western Machine Tool Works, Mr. Shields took his seat in the airplane and the plane began its return journey to Grand Rapids.

ENROLLMENT IS LARGER THAN LAST YEAR

There were forty-three more pupils enrolled in the public schools in Holland Tuesday than were enrolled on the first day of school a year ago. The number Tuesday was 2,286 while a year ago the total was 2,243. The first day's total will be materially increased, when the late comers arrive. There are always a number of pupils in the high school and junior high who are working and who do not come to school until about the second week. Judging from experiences of former years this number will be between fifty and seventy-five in the high school alone, and it is expected that there will be additions in all the schools.

The enrollment Tuesday was as follows: Washington 313; VanRaalte 295; Longfellow 303; Lincoln 295; Junior High 377; High school 388.

Most of the buildings in Holland are pretty well filled and some of them are running over. This is particularly the case in the Junior High school. That building is too small for the pupils, a curious fact when it is considered that only about five years ago it housed the high school and the Junior High both. Some arrangements will have to be made to take care of the overflow pupils in this building, especially if more come later on as is expected.

The high school also is pretty well filled, although conditions there are not yet crowded. But when the late arrivals come, it is expected that there will not be very much room to spare in that building.

Work started out immediately Tuesday and so well were things oiled and in ship shape condition that today the whole organization was working almost in mid-semester form, with all the teachers at their desks, the pupils assigned to their places and busy at work over their books and exercises.

WIFE OF LOCAL MERCHANT PASSES AWAY

At about 9 o'clock Wednesday forenoon Mrs. Henry Vander Linde died at her home at 55 West 17th street after an illness of many years. The deceased was 47 years old and is survived by her husband and one daughter Helene. The arrangements for the funeral will be announced later. The deceased was the wife of one of Holland's merchants. Mr. Vander Linde being a member of the firm of Vander Linde & Visser. Mrs. Vander Linde was ill for a long time.

CAR TUMBLES DOWN HILL AT MACATAWA PARK

Although a big Packard car tumbled down a fifteen foot embankment among the hills of Macatawa Thursday afternoon, not one of the five occupants received a scratch and even the contents of a milk bottle in the car was not spilled out, although the car was tipped over in its descent down the sand hill.

The car was being driven by F. L. Blandford, owner of the Macatawa garage. His passengers were Mr. Wm. Southwick, his wife and daughter, and Mrs. F. L. Childs of Chicago. Mr. Blandford was taking the passengers over to the Morse cottage on Mishawauka Ave., which cottage Mr. Southwick had bought that day. On rounding a sharp bend in the Griswold drive near the cottage of Charles Richmond, the front bumper jarred loose and caught in the front wheel, making it impossible to steer the car. The driver losing control, the car swerved to the side and tumbled down the embankment.

Sliding down the sand hill covered with vines and shrubs, it started to tip over near the bottom, but finally it caught on the cement wall that was built there to retain the sand. There it stuck and came to rest, with the occupants under the car but entirely unhurt. They got out from under the car none the worse for the experience, but considerably shaken up.

The accident happened about four o'clock Thursday afternoon and it was not until nearly morning Friday after working all night, that the car was brought back to its drive.

Earlier in the afternoon Mr. Blandford's employee was taking out a party of people in a jitney, and later Mr. Blandford, in the big Packard, collided with the jitney, smashing the rear fenders of the smaller machine. This collision, while not serious, is supposed to have loosened the front bumper of the Packard and thus to have caused the more serious accident later on, although the loosening of the bumper was not discovered at the time.

CAME TO HOLLAND AS A BRIDE IN PIONEER DAYS

A woman beloved by all who knew her passed away Thursday at her home at 598 Central avenue when death came to Mrs. James Huntley at the age of 72 years. Mrs. Huntley for the past two years had been confined to her home with almost complete paralysis.

Mrs. Huntley was born in Tonbridge Wells, England, on June 6, 1847. Her maiden name was Julia Thorpe and she was the daughter of a prominent family in her native place. On Christmas day, 1868, she was married to Mr. James Huntley at Tonbridge Wells, and two years later the couple came to America and settled in Holland, casting in their lot with the pioneer population in this community.

Mr. Huntley became a prominent business man of Holland. He was a contractor, the building of many well known buildings here such as Winants Chapel, Graves Library and other buildings. He was the first president and one of the founders of the Ottawa Furniture Co. Mr. Huntley died exactly twenty years ago today. Mrs. Huntley lived for nearly fifty years in the Huntley homestead at 598 Central avenue, where she died.

The deceased is survived by five children all of this city: George, Mrs. Fred Boone, Harry, Cecil, and Mrs. B. Van Raalte, Jr.; and Marguerite Huntley, granddaughter.

The funeral was held Saturday afternoon at 3:30 o'clock from the home. Rev. Albert Pfanstiehl of New Jersey officiated.

HAS HIGH PRAISE FOR TE ROLLER

The Grand Rapids Herald Saturday had the following about Spriggs Te Roller:

"Fans who have watched Catcher TeRoller work in the two games played by the Lowell team are wondering why he is not playing in one of the leading leagues. He has displayed such splendid all-around form that he has shone out about as a major leaguer would among a lot of amateurs.

"With only about a half dozen minor leagues operating this year the scouts are not overlooking any such events as the tournament in their search for players who show signs of developing into major league calibre. It is said that Spriggs TeRoller will be offered an American association contract if he shows as good form in Sunday's play as he has shown behind the bat in the first two games played by the Lowell team."

George Beeuwkes left for California Thursday.

SAYS BAND IS BEST THAT HE HAS EVER HEARD

Not as an "ad" for the Holland fair but merely because he wanted all the people of Holland to know what a great treat was in store for them, John Vanderauluis expressed his opinion of the world famous "Kilties" band that is to be one of the free attractions at the fair. Mr. Vanderauluis heard this organization at the recent Sunday School convention at Flint and he declared that it outdistanced so far all other bands he had ever heard that there was no comparison.

"I am naturally a band fan", he declared. "I love band music so that it is almost a passion with me, and during more years than I care to mention I've taken every opportunity to hear all the bands that came my way. But never have I heard anything that can compare with the 'Kilties'. They are absolutely in a class by themselves. They fairly took us off our feet at Flint.

"I am not saying this as a boost for the fair. The fair can take care of itself, but I would like all music lovers in Holland to seize the opportunity to hear this famous band. To me it would be worth the admission price to the fair ten times over to hear them again, and I am sure that all lovers of real band music will feel the same."

The "Kilties" is recognized as one of the best musical organizations in the world. They present music of every type, but of course, they excel in the music of the heather. Every member is a finished musician and a soloist, and the ensemble of the band is so harmonious and so delightful that the music lovers will have a rare treat. The special features include singing, bagpipers, soloists and Scottish dances just as they are presented in the Highlands of Scotland.

BIRTHDAY CELEBRATED WITH CHICKEN DINNER

Because Walter Morris was 34 years old Thursday a most enjoyable stag party was given at his home Thursday evening, and the twelve men, friends all of Mr. Morris, who took part in the affair were enthusiastic over the event. The eats of the party consisted in a five course chicken dinner and the dozen men did full justice to the feast.

T. N. Robinson was master of ceremonies and toastmaster, and the principal orator of the evening was Lester Curry of Jackson, electrical superintendent of the Michigan Railway. The evening was spent in playing games, the winner of the first prize being Theodore Telgenhof and of the consolation Milo DeVries.

TWO NEAR DEATH WHEN CANOE CAPSIZES

So dangerously were E. Kemp and J. C. Sullivan of Chicago near drowning at Macatawa Monday that stimulants had to be used on them to revive them, after they had been taken out of the water by the crew of the U. S. Coast Guard. The capsizing of the canoe in which Kemp and Sullivan were venturing out into the open lake, coupled with the fact that the men were green at handling a little craft of that kind came near marring Labor day at the resort with a double drowning accident. Had the life savers arrived on the scene a few minutes later, all would have been over for the men in the water.

But the Coast Guard crew did not take the time to round the breakwater in the usual way. Had they done that they would have been too late. Instead of that they lifted the station boat over the breakwater and made a beeline for the men in the water.

The men were out in Lake Michigan on the Macatawa side. They were not prepared for the canoe capsizing and were not in bathing suits. Their clothes becoming soaked pulled them down. The accident happened about a thousand feet from shore.

Had the men been skilled in the ways of a canoe they might have kept afloat indefinitely by each going on a side of the canoe and thus keeping it steady. But instead of that both tried to clutch on to the same side of the canoe, which is usually fatal to success.

One of the men was ready to sink when the life savers pulled him out of the water. He collapsed and had to be given a stimulant to revive him. The other was not so far gone but both of them had had more than enough.

A large number of people witnessed the rescue from the shore of the lake.

BOYS' SUITS

Jacob Lokker of the Lokker-Rutgers Company when out on his buying trip has bought a large stock of Boys' Suits direct from manufacturer that will be sold at greatly reduced prices. Mothers will do well to get that school suit now while the stock is still complete.

Some of these suits have been slightly soiled by the manufacturer but it does not affect the appearance nor wearing qualities. Adv. The Lokker-Rutgers Co.

CONDUCTOR ON MICHIGAN R.Y. GETS A SURPRISE

A surprise package came to the conductor of an evening Michigan R. R. Interurban car on the Allegan division, when he found a baby which had been abandoned by its mother. As its mother was that to have left the car at Allegan, the child was brot back there and was placed in the hands of officers. The mother has been located, but said she could not care for the child and hope in this way some kind person would take it. She still wishes to find a home for the little one.

MISSION FEST WAS LARGEST IN HISTORY

One of the largest mission fests in the history of Western Michigan was held Labor day at the fair grounds. Thirteen churches in the Christian Reformed denomination in Holland and vicinity were represented. The music was featured with a chorus of 100 voices. Revs. B. H. Einink, M. Van Vessum, J. De Haan, G. Hoeksema and H. Keegstra delivered addresses.

The fair grounds had the aspect of the annual fair, judging from the large crowd that was everywhere to be seen.

The art hall was filled with buyers at the canteens where more than one thousand dollars was taken in.

In front of the grandstand, a platform was built for the speakers, but the two stands were crowded to overflowing and these were not nearly enough room to accommodate the eager listeners. Several of the members of the different churches put their automobiles to the use of the mission cause, charging 20 cents a round trip, to the fair grounds and back. The money thus collected was also donated to the cause of missions which is said to be quite a tidy sum, as scores of automobiles were put to good use during the day.

The central avenue orchestra furnished the music for the occasion, interspersed with singing by a male quartet, and reading by Miss Deane Rinck.

Rev. J. P. Battema, was the president of the day, opening the exercises with prayer and welcoming the people to the sixth annual mission festival of the churches of classis Holland of the Christian Reformed church in America.

DR. VANDER MEULEN TO SPEAK FOR THE THE CITY MISSION

Although he has been spending a part of his vacation at his summer home at Montello Park, Rev. J. M. Vander Meulen of Oak Park, Chicago, has not been heard in this city all summer. It is his usual custom to preach one or more sermons here during the summer months, but this year he was so much in demand in far outlying cities, among them New Orleans and Pittsburgh, that it was impossible for him to preach in Holland.

Although local churches tried hard to secure him, it remained for the City Mission to turn the trick. Miss Nellie Churchford announced Tuesday that Dr. Vander Meulen will conduct a meeting of the Mission on Thursday evening of this week. Because too large an audience is expected for the capacity of the Mission, it has been decided to hold the meeting in Hope Church at 7:30 o'clock. The public is cordially invited. Dr. Vander Meulen's theme will be "My Wife's Religion."

MARRIAGE SOLEMNIZED ON SUNDAY NOON

A very pretty wedding was solemnized Sunday noon at the home of Mrs. Mary J. Shannon at W. 15th St. when her daughter Alice was united in marriage to Mr. Algie E. Sanford Rev. J. F. Bowerman performing the ceremony. The rooms were decorated in red, white and blue, the decorations also being in honor of the bride's brother Leo, who has just returned from France after serving four years in the U. S. Army.

The bride was very simply dressed in white lawn and carried a beautiful bouquet of white roses. She was attended by Miss Helene Lundgren of Saugatuck, who also wore white lawn. The groom was attended by Mr. Merle Pitman of Holland. The wedding music was furnished by Miss Rena Brewer also of Holland.

The out-of-town guests were: Mr. and Mrs. Jas. Scrimger of Bravo; Mr. and Mrs. David Scrimger of Glenn; Mr. Wallace Scrimger of Fremont, Ohio; Mr. and Mrs. Fred Scrimger of Muskegon; Mr. and Mrs. Taylor of Holland; Leo Shannon of Kalamazoo; Miss Margaret Loomis of Fennville, and Mr. Nash of Bravo.

After a short wedding trip to Chicago, Grand Rapids and Indiana, Mr. and Mrs. Sanford will make their home at 317 W. 15th street.

DIES AT AGE OF FORTY-THREE

Mrs. H. G. Garveling died at 9:45 Friday evening at the age of 43 years, after a long period of suffering. She was a faithful worker in all spheres where she was called especially as teacher of the Ladies' Adult Bible Class of the 14th St. church since its organization. A host of friends mourn her death. The deceased is survived by her husband and son Gerald, aged 7, one brother, E. S. Holkeboer of this city, and two sisters, Mrs. S. Koppers and Mrs. W. Glass, both of Grand Rapids.

The funeral was held Tuesday Sept. 2 at 1:30 from the home, 57 West 12th St. and 2 o'clock from the 14th St. Chr. Ref. church, Rev. Hoeksema officiating.

CO-OPERATIVE STORE IS GRAND HAVEN VENTURE

Grand Haven business men have organized a co-operative store capitalized at \$7,000. The formation of such a company has been considered for a number of years and the present high cost of living has hastened its formation. The location of the store has not been announced.—G. R. Press.

SUNFLOWER HAS ALL OTHERS BACKED OFF THE MAP

Tales of tall sunflowers have been pouring in of late from various parts of the county. The series began in Grand Haven some time ago where a sunflower of an unusual size as to height was reported, which it was claimed put in the shade the historic sunflower of some score of years ago, which until that time was supposed to have established the record.

But now comes forward a Holland man who claims to have a sunflower that so far outdistances all other sunflowers that have ever been grown, it is believed, since the creation of the world, that the reports of record-breaking sunflowers will automatically cease.

C. P. Zwemer, 27 W. 16th street, has taken the trouble to measure his sunflower. He had to use an extension ladder to get to the top. By actual measurement with a tape line the sunflower was found to be 13½ feet high. But that is not the most remarkable thing about it. By actual count it was found to have 140 flowers, with still more flowers developing. Mr. Zwemer declares that anyone who does not believe the story is at liberty to come and verify it with a tape line and by count.

TO PAY ADMISSION TO GO A DARKY WEDDING

Invitations are out for the marriage of Miss Rosebud, charming daughter of Mr. and Mrs. Boston Marble, prominent members of the Manlius Grange colored circle, who is to wed Mr. Florian Slappy at 8 o'clock Saturday evening, September 13. The groom is one of New Richmond's most popular young men recently returned home from Russia, where he has been with Uncle Sam's troops.

The young people have been prevailed upon to make the wedding a public affair, charging admission with a dance after, and turn the money into the building fund of the new Grange hall. So come one, come all, trip the light bombastic toe, see the cake walk, turkey trot, hear the latest coon songs, eat water melons have a good time and kiss the bride. Admission, colored people 15c White folks twenty-five cents. Bring your presents along; they will be carefully guarded by famous private detective Comber who will be dressed in everyday clothes.

So if Holland folks want to attend the wedding they can jump in their flivvers and drive about ten miles south of the city and pay 25 cents to see a real honest to goodness darky wedding and that on the 13th of the month too.

FISHERMEN FINED IN LOCAL COURT

Peter Ver Duin of Grand Haven and Will Miers of Grand Haven, commercial fishermen who are operating out of Holland harbor, were arrested Thursday by Deputy Game Wardens Frank Salisbury of Grand Haven and Deputy Warden Dick Homkes of this city. The charge was fishing with nets of a mesh that is illegal.

The fishermen appeared before Justice Robinson. Ver Duine paid a fine of \$100 and costs of \$4.45, while Miers paid a fine of \$25 and costs of \$4.45.

TRINITY CHURCH SOON TO HAVE NEW ORGAN

Trinity Reformed church will soon install its new pipe organ and preparations for this event will soon be made. The church has engaged Prof. Bruno Meinecke of Hope College as organist to assume that work when the new organ shall have been installed. He has also been engaged as choirmaster in that church. Prof. Meinecke was serving as organist in the M. E. church which position he has resigned to take up his new duties in the other congregation. He is now at work training the choir and he hopes for great things along the music line in that church.

PLANS TANNERY BUILDINGS

Engineers B. E. Parks & Son of Grand Rapids are preparing plans for a tile and beam house for the Eagle-Ottawa Leather Co., Grand Haven. It will be 80x368 feet, one story with brook tile roof.

They are also drawing plans for a three story building for the tannery plant at White Hall. It will be 70x100 feet, mill construction.

MRS. J. H. TOREN DIES AT JENISON PTRK

Mrs. John H. Toren, aged sixty years passed away at her summer home in Jenison Park on Monday afternoon, September 1. She leaves, besides her husband, three children, Mrs. J. G. Wright of Chicago, Mr. Roy H. Toren of Muskegon, and Mrs. John W. Ederle of Holland.

She was buried from the Jenison Park home at 2 o'clock on Wednesday afternoon. Rev. Peter Moerdyke officiated.

Mrs. John Kress was the guest of Friends in Grand Rapids Friday.

A FAIR THAT IS WORTH WHILE

LOCALS

Harry Waters of Allegan county who was working on the roads near Hastings found a blue racer coiled on the hood of the gravel truck when he went to start it one day last week. An intrepid onlooker opened the hood and the snake crawled in and through one of the holes near the levers, made its way to the driver's seat and curled up to finish its nap. It was rudely awakened by Roy Conway who forked it out with a stick and killed it. It was four feet long.

Mr. and Mrs. H. Ter Roller, 184 East 5th street, entertained with a seven o'clock dinner. Those present were: Mr. and Mrs. W. A. Holley and Mr. and Mrs. L. A. Holley of Plainwell, Mr. Vance Roy, Memphis, Tenn., Mr. Lovell McClellan, Lansing, Miss Hazel Fairbanks, Grand Rapids, Mr. and Mrs. A. E. McClellan, Mrs. Ada Bannister, Mr. Clyde Bannister and Mr. and Mrs. Albert Winstrom and daughter Ruth Irene of Holland.

Holland's churches are planning to make elaborate preparations for the annual Sunday school convention of Ottawa county, scheduled for Oct. 2 and 3. The sessions will be held in Third Reformed church. Ex-Mayor John Vandersluis will direct a chorus of about 100 voices, comprising the best musical talent in the city and the speakers will include men of state reputation. Ex-Mayor Henry Geerlings is president of the association.

The arrest of two engineers for speeding Pere Marquette trains thru Holland has resulted in materially slackening the speed of some trains entering the city from the south. The passenger trains piloted by these engineers now fairly crawl in to the station and their speed often is less than 10 miles an hour within the city limits.

The following is from the Port Colborne Citizen: Rev. Canon and Mrs. Davis announce the engagement of their daughter, Grace Louise, to Mr. Lloyd M. Kanters of Waukesha, Wisconsin, son of Mr. and Mrs. John Kanters, of Holland, Michigan. The wedding will take place Sept. 16th at 1 p. m. at St. James' Anglican church, Port Colborne.

A family reunion was held Labor day at the home of Mr. and Mrs. L. Kline at 270 Lincoln avenue, where 35 children and grandchildren met, also Mrs. Kline's mother, Mrs. D. C. Huff of Wayland, formerly of the Lake Shore. The reunion was also to celebrate Mr. Kline's 75th birthday, which was Sunday.

Mr. and Mrs. George H. Nichols visited at the home of Mr. and Mrs. L. Kline, 270 Lincoln avenue Sunday. Mrs. Kline is Mr. Nichols' mother. They drove in their car from Hammond, Ind., Saturday night.

E. J. McDonald, manager of the Ottawa Beach Hotel, has resumed his old position at the Pantlind, Grand Rapids. The Ottawa closed Thursday after one of the most successful seasons on record.

A marriage license was issued on Saturday in Milwaukee to Charles A. Lawrence of Grand Haven and Lena Schmidt of West Olive.

Herbert Ingham left Wednesday morning for Big Rapids where he will take a ten months' course of study at Ferris Institute.

One Holland business man at least knows what a ride in an airplane feels like and he paid \$15 for the experience. At the Allegan fair an aviator took up passengers at \$1 a minute. Andrew Steketee took \$15 worth and had a 15 minute ride one mile up. He says the ride was exhilarating, although the first tryout made him somewhat weak in the knees when he came back to earth. Every passenger is supplied with an aviator's outfit.

Walter A. Scholten, a student at the New Brunswick Theological Seminary, is spending a few days in Holland visiting friends here. Mr. Scholten has been filling a pulpit this summer in Jersey City, N. Y. He is on his way to his home in So. Dakota where he will spend his vacation.

Says a file copy dated July 29, 1871—"An ox team belonging to G. Wats was run over and killed by the C. & W. M. on a grade south of Fennville Saturday."—Today it would have been an automobile.

Russel Towners of Muskegon paid a \$6 fine in justice court at Grand Haven for running his automobile over the new pavement on Beach Tree road before it was opened.

Mr. and Mrs. Dan Kantor of Ionia avenue, Grand Rapids announce the engagement of their daughter Miss Helen to Mr. Louis Padnos of Holland, Mich.

An airplane flew over the city on both Wednesday and Friday nights. The motors were distinctly heard and some pedestrians saw a light in the sky. Nothing unusual about an airplane flight these days however.

Rev. H. Keegstra of Fremont was installed Thursday evening as pastor of the 16th St. Christian Reformed church. He preached his inaugural sermon Sunday.

Andrew Steketee, jr., the local dry goods man, had his table at his home graced with a quart of home grown strawberries Friday.

Andrew Carnegie did not remember Holland or Hope College in his will. Hope got one building out of the old Scout anyway.

Miss Grace Middlehook who has served eight months overseas as a nurse has been spending the past two weeks with her cousin, Miss Dora Strovenjans.

Four sons of the family of Rev. and Mrs. J. Robbert have been honorably discharged from the service of their country and have returned to Holland. Three served overseas. Henry and John were with an ambulance company in France and Bernard was a member of Co. M. 26th Inf. George was transferred to Washington, D. C. from the base hospital at Camp Custer. None of the brothers was injured. The Robbert Brothers conduct a meat market at 114 W. 16th street.

Frank Bergsma was surprised at his home 286 E. 14th street, the occasion being his 40th birthday anniversary. Mr. Bergsma was presented with a beautiful umbrella. The evening was spent in music and games and dainty refreshments were served. Those present were Mr. and Mrs. Mokma, Mr. and Mrs. G. Terpstra, Mr. and Mrs. D. Terpstra, Mr. and Mrs. Van Kampen, Mr. and Mrs. Keen, Mrs. Van Roekel and family, Mrs. H. Mulder, Mr. Henry Mulder and Miss Jennie Haverdink.

What might have proven to be a very serious accident at Saugatuck occurred when the team of James Gill of Silver Lake took fright and ran through the streets crowded with resorters. The horses had become unmanageable and were scattering the crowd right and left. The only thing that prevented a collision of some kind was the fact the neck yoke broke and the horses struck a guide post swerving the team to one side tipping over the wagon. Two boys who were in the vehicle were badly bruised and severely cut in several places about the body, although the driver stuck to his reins until thrown to the curb rendering him unconscious.

The barn and all other buildings except the house of Charlie Plummer at Ganges were burned Friday fire catching in the straw while threshing was in progress. Some of the grain was saved but much of that as well as a large amount of hay, straw and farming implements were destroyed. The insurance will not nearly cover the loss it is said. The loss is estimated at \$4,000.

A shower was given by 25 girls employed by Poole Bros., at the home of Miss Sarah Dees, in honor of Miss Jennie Ottema, who is to be a September bride. Miss Ottema was presented with a beautiful electric lamp. Games were played and dainty refreshments were served.

Andy Leenhouts, sales manager of the New York branch of the San-Tox company, who attended the convention of the salesmen of the firm in Grand Rapids, is home visiting his parents, Mr. and Mrs. John Leenhouts, Thirteenth street.

The Bulletin of Vital Statistics for June, issued by the department of state, shows that there were 93 births in Ottawa county that month and 37 deaths; 43 births in Allegan county and 41 deaths; 24 births in Holland and eight deaths; 15 births in Grand Haven and five deaths; 3 births in Allegan city and 6 deaths.

Ex-Mayor Edward J. Harrington, who celebrated his 87th birthday anniversary four weeks ago, has been stricken with blindness through the formation of cataracts and now can hardly distinguish light from darkness. Mr. Harrington is the oldest of Holland's residents, having lived here for 72 years.

The summer colony of ministers at Central Park and vicinity soon will be broken up with the reopening of school. It is estimated that between 40 and 50 ministers from all parts of the country have spent their vacations in Holland and at the Black Lake resorts. The majority of them are graduates of Hope college.

Mr. and Mrs. P. Dornbos celebrated their 45th wedding anniversary Wednesday evening at their home, corner 14th street and River avenue. The celebration was in the form of a family reunion, eight children and nine grandchildren being present. Those from out of the city were: Mr. and Mrs. Louis Hamn and family from Denver Col.; Mr. and Mrs. C. J. Dornbos of Grand Haven; Mr. and Mrs. C. Cook of Grand Rapids and Mr. and Mrs. P. Dornbos Jr. of Zeeland.

As a thank offering for the safe return of their son from France a family at Edgerton, Minn., has donated \$500 to missions and education. Hope college, Western Seminary, the boards of foreign and domestic missions of the Reformed church each have become beneficiaries for \$100, while the other \$100 has been equally divided between the Northwestern classical academy and the family's pastor.

Mrs. J. C. Waterman, aged 53 years died Monday evening at the home of her sister, Mrs. Marshall at Jenison Park. The funeral was held Thursday afternoon at 2 o'clock from the home, Father Wyckoff officiating. Interment took place at Pilgrim's cemetery. The deceased is survived by her husband, one sister, Mrs. Eva G. Skinner and two brothers, F. M. of Cleveland and Edward of Luther, Mich.

Attorney Arend Visscher has completed an unbroken service of 34 years as a member of Hope college council and is its oldest member in point of service. He was enrolled as a student in 1866 and personally constituted the smallest class ever to graduate from the institution, being the only member of the class of 1872. Three sons and one daughter are graduates of the same institution and almost since the incorporation of the college to the present day some members of the Visscher family has in some way or other been connected with it. Mr. Visscher served as treasurer of the college for 13 years.

The first thing that greeted the eyes of the students at the Holland High school Monday morning was a beautiful flag staff, 80 feet high, raised on the northwest corner of the high school campus. The pole is made of steel and is mounted by a large golden ball. A brand new "Old Glory" is waving from the new staff.

The Grand Rapids Press of Saturday contains a fine cut of Holland's oldest meat cutter. Cutting steaks, chops, roasts and all other meats at 80 years of age for 10 or more hours a day is a record achieved by Louis De Kraker. Holland's veteran meat cutter, at 184 River avenue. De Kraker next month expects to round out a career of 54 years as meat cutter and he says he still is good for many years, judging from his present health. He opened a meat market in Holland in 1865 when he returned from the Civil war and altho the firm name has been changed through the death of his partners, De Kraker's name has always headed the firm.

Another man fails to realize what a bank is for. Ed Baken of Allegan lost \$85 that he had deposited in a trunk in his room. Fire burned the building in which he was rooming and he is out the \$85. In this same building a man by the name of W. J. Lacey found his watch blackened by fire but the time piece was still going after the fire had been extinguished.

While George R. Ross of Muskegon was driving his automobile on the road to Grand Haven, G. R. Anspach, aged 9, ran in front of the car unexpectedly and was fatally injured. He was rushed to Hackley hospital where he died. No blame is attached to Mr. Ross.

Word has been received that Miss Jessie Clarke, a former junior high school teacher, will sail from San Francisco, Sept. 17, for India where she will take up missionary work under the auspices of the Methodist church.

The Prohibition forces are now trying to prevent the best cellars from becoming the best sellers.

Prof. John Hoekje of this city has returned from a two weeks' visit to Colorado Springs, Colo. He left Tuesday to resume his duties at the Michigan State Normal at Kalamazoo.

Marriage licenses have been issued in Allegan county for Henry Aldebeeking of Oversel and Johanna Driesenga of Zeeland also for William L. Sloman and Delia Anna Veldhuis both of Oversel.

LIBRARIANS OF STATE CONVENTION AT MACATAWA

The annual convention of the Michigan Library Association will be held at Macatawa Park the latter half of this week. The first session will be held Thursday evening, and the convention will come to a close on Saturday. The headquarters for the convention will be in Hotel Macatawa and the local public is cordially invited to go to the park and listen to the addresses. This is the twenty-ninth annual convention of this state association.

Hon. G. J. Diekema is the main speaker at the opening session on Thursday evening at Hotel Macatawa. The meeting will begin at 8 o'clock. Mr. Diekema's theme will be "The Hollander in Michigan." This will be followed by an address by Mr. Adam Strohm, Librarian of the Detroit city library, and president of the Michigan Library association.

On Friday morning at 9:30 o'clock the business session will be held, when there will be reports from officers and committees. This will be followed by an address on "Library Standards" by Azariah S. Root, Librarian of the Oberlin College library. At this session there will also be a round table on professional work.

The feature of the Friday afternoon session at 2:30 o'clock will be an address on "The Michigan Historical Commission and the State Historical society and their Relations to the Public Libraries of the State" by Dr. George N. Fuller, of the Michigan Historical Commission of Lansing. Another address will be on the "Michigan War Service Records" by Mrs. William M. Stebbins, state director to compile records of Michigan soldiers and sailors of the world war. Another address at this session will be on "The Soul of the City" by Mr. James Schermerhorn, editor of the Detroit Times.

The Friday evening session will be devoted to a social gathering. On Saturday morning at 9 o'clock there will be election of officers, and at 9:30 o'clock a book symposium will be held by Miss Walton, Michigan State Normal School Library, Miss Jewell, Adrian, Public Library, and Miss Coon, Detroit Public Library; Children's books, by Miss Quigley, Grand Rapids Public Library, and Miss Fletcher, Kalamazoo Public Library.

Mrs. H. Mulder and son Henry of 249 E. 14th street left Saturday morning for Detroit where they will spend a week with friends.

John Sas, Jr., son of Mr. and Mrs. John Sas, living on East 17th Street has returned home after receiving his honorable discharge from Uncle Sam's army.

GOVERNMENT MEN TO BE AT THE FAIR GROUNDS

Soldiers of Ottawa and Allegan counties who have actually been in service will be able to get their Victory Buttons at the fair grounds on Thursday, September 11th, the big day of the fair.

It must not be understood by the soldiers that this is done as a special inducement for soldiers to attend the fair, altho most of them will no doubt take in the exhibit anyway.

The facts are that the government is going to have a large military display in the art hall, and at the same time, government officers will be on hand to take care of the soldiers who have actually served in the army. Their presence and their knowledge of this affair does away with a lot of red tape that a soldier would otherwise have to go through with. These officers have the necessary blanks, and have the required information at hand to handle these matters promptly and properly. A notary will be present, so that the boys can be sworn as to the facts relating to their service to the country. Certain forms are required to be filled in and submitted with the discharge papers before the Victory buttons may be issued to the individual soldier.

All soldiers should be sure to take these with them, as these are absolutely required.

To be eligible for the Victory Button, the person must have actually served in the army, and must have been regularly discharged therefrom, honorably on a form prescribed and provided for that purpose.

Officers should submit their order of discharge if they have no discharge certificate.

The officers to be at the fair grounds are not authorized to issue the Victory Buttons to any person who served in the Navy, Army Reserves and Army Corps. The officers to be at the Holland Fair have only to do with soldiers who have served in the U. S. Army.

Wounded soldiers are to receive a Victory Button made of silver, while the men who have not been wounded will be given a button made of aluminum.

The blanks required to be filled out may be secured from John Arendshorst, secretary of the fair, and these should be properly taken care of and brought to the fair grounds on Thursday together with soldier's discharge papers.

The form of the blank required is found below:

Victory Button Blank
The following data is required to be filled by each applicant for the Victory Button before issue of the Button can be made; this form should be filled out with typewriter if possible, if not, the name and address should be printed with the pen.

ANOTHER PIONEER PASSES AWAY

After a lingering illness of several months due to heart trouble, Mr. Jaser J. Jennings, a pioneer resident of Ottawa county, passed away last Thursday morning at 6:30 at his home, 619 Central Avenue, at the age of 80 years, 3 months, and 25 days.

Mr. Jennings was born at Revena, Ohio, May 3, 1839. Being left an orphan when a small child, he was adopted and brought to Southern Michigan, where he spent his early years.

Jan. 1, 1864, Mr. Jennings was married to Hannah R. Grice at Kinderhook, Branch county, Michigan, and later settled near Holland, living on one farm over 40 years during which time he served as postmaster at Ventura for several years before the rural routes were started.

About 13 years ago because of failing health he left the farm and moved to this city where he spent his last years.

Besides his widow two daughters, Jean of this city and Mrs. H. W. Thompson of Leslie, Mich., are left to mourn their loss, a son Capt. J. P. Jennings having lost his life by shipwreck on Lake Superior about 5 years ago. Funeral services were held from the home Saturday afternoon at 1:30 conducted by Rev. J. F. Bowerman. On account of the serious condition of Mrs. Jennings who was confined to her room by illness and unable to meet friends the services were made very short and burial took place at Pilgrim Home cemetery.

Mr. and Mrs. C. Van Den Berg of 2425 Champs St., Denver, Colo., are visiting David Hertz, 626 Lincoln avenue and Mr. and Mrs. William Bennette at 99 East 24th St. They will also visit Grand Rapids in a few days.

Mr. and Mrs. R. M. Bosworth and family, 21 East 12th street are visiting at Watervliet, Mich., for a few weeks.

Henry Olert, a former local grocer is critically ill at his home on W. 14th street.

Fire destroyed a barn owned by Berend Ter Haar, in Jamestown, on Saturday. Loss \$850, insured for \$400 in the Ottawa & Allegan Farmers' Insurance company.

THIRTY-FIVE YEARS AGO

Potatoes are very plentiful and cheap.

The people of Grand Haven were considerably agitated by the discovery of fire on the roof of the Cutler House at about 10 o'clock last Wednesday morning and it looked for a few minutes, as though that fine building and the greater portion of the city would be in ashes in a short time as a high wind prevailed. Excitement ran high among the inmates of the hotel, trunks, and parcels were thrown around promiscuously for a time. The fire caught from a spark from the engine chimney and was spreading rapidly when discovered without doing any great damage. The loss was covered by insurance.

TRY TO BLOW DECK OFF BOAT WITH DYNAMITE

Four charges of dynamite were not sufficient to blow the deck off the lumber barge "Delta" that was beached on the shore of Ottawa Beach about a week ago. Employees of the insurance underwriters have been working strenuously getting the lumber off the barge, but they struck a snag when the lumber in the hold of the vessel pressed up against the deck of the barge because of the pressure of water. It was found impossible to get the lumber out by hand, and so it was decided to blow the deck off.

But the four charges of dynamite that were placed under the deck had little or no effect on it, and when work ceased on the job it was still as hard as before to get the lumber out of the stranded vessel.

The Ottawa Beach authorities however were anxious to have the wreck cleared away, and for that reason operations were resumed this morning to pry loose the recalcitrant deck and get it out of the way. But instead of going at it with dynamite this morning, workmen went at the job with axes and crowbars, trying to hack the deck away. While a more laborious process than with charges of dynamite, it is expected to be a surer way.

When the deck has been cut away, the lumber will be taken out of the hold. The sister barge "Interlaken" that figured with the "Delta" in the storm, arrived from Saugatuck today, where she has been lying for some days unloading coal. The lumber will be piled on this vessel and then taken to Chicago, to which place it was going when the storm wrecked the "Delta."

The wrecked barge "Delta" at Ottawa Beach has been attracting a good deal of attention and the camera fans of the popular resort have been more than busy the past few days taking pictures of the unlucky vessel.

CHURCH PREPARES FOR FUTURE EXPANSION

Because the congregation believes in the policy of preparing for the future, Trinity Reformed church has purchased two lots on 20th street and has added them to the present church site. A house that was on one of the lots will be moved to another location. No definite plans have been made as to what to do with the property, but it was purchased to provide for future expansion.

The new organ of the church is expected to arrive soon. The organ would have been here by this time if it had not been for a strike of the organ men, which has delayed the delivery.

Fred Metz was in Grand Rapids on business Friday.

SISTER BARGE OF THE "DELTA" IS ALSO STRANDED

Is the spot where the lumber barge "Delta" lies on the shore at Ottawa Beach hoodooed? If these were the days of witches it seems likely that someone would be tried for having bewitched the barges of the Hamilton Transportation Co. It seems that something is preventing those barges from entering the harbor at Macatawa.

Last night the barge "Interlaken" was towed in from Saugatuck, where she had been unloading her cargo of coal. The plan was to tow her along side the "Delta," load the "Delta's" cargo of lumber on to her and take it to Chicago, its original destination. But the "Interlaken" could not make the harbor, any more than the "Delta" could a week or so ago. In trying to run into port, the towline of the "Interlaken" parted, just as that which towed the "Delta" last week did.

But that wasn't the end of it. Seemingly as if to add insult to injury, the fates decreed that the "Interlaken" should make straight for the very identical spot on which the "Delta" is stuck fast and which will be the grave of that barge. The "Interlaken" ran right on to the wreck of the "Delta" as if in sympathy for her sister craft, and like her she got stuck on the beach. But fortunately for her, the "Delta" occupied so much room on the sand bar that the "Interlaken" could not get a very strong hold on it.

The fishing tug that usually lies at the Harrington dock was immediately pressed into service. It was hitched to the luckless barge, and the stranded craft was finally pulled off the beach uninjured. One reason why it was possible to do this was that she was empty, making her easier to handle.

The crews on the two barges now have it in for this harbor. Sailors are usually a superstitious set, and these particular sailors will give this port as wide a berth in future as possible.

WAVES FINALLY POUND "DELTA" TO PIECES

The force of the waves has finally done what the power of dynamite could not accomplish, and today the lumber barge "Delta" lies in broken pieces on the shore of Ottawa Beach. The barge has yielded up all of its 400,000 feet of hardwood lumber, which workmen in vain tried for several days to pry out of its capacious hold, where it was jammed in inextricably, pressing against the deck through the force of the water and squeezed in so tightly that the planks could be moved only with the greatest difficulty.

But the pounding of the waves made easy work of the job of breaking the barge to pieces. The breakers kept working away at the job day and night, until at last the stout beams and side boards of the barge had to yield. Fastened on the sandbar the barge had to take the ceaseless pounding of the waves like a prize fighter that is down and that is compelled to take the repeated blows of an unfair opponent, with no power to fight back.

The waves were too much for the boat at last, and now she is a mere collection of wreckage. The broken remnants of the vessel still cling in the sand on the beach, partly above and partly below water. But the lumber is out and most of it has been salvaged altho some of it is still drifting along the shore many miles away from the scene of the wreck.

The sister barge "Interlaken" is busy collecting what can be saved from the boat. Such things as anchors and other parts that can be used on other barges will be collected and only that part of the vessel that is mere dead material will be left on the beach.

DRUG BUSINESS BOUGHT BY BATTLE CREEK MAN

The Lawrence Drug store changed hands Tuesday and now this city has another druggist on its list. The business was bought by Mr. Andrew N. Lindeborg of Battle Creek, who took possession Tuesday. Mr. Lindeborg was with the Baker Drug Co. of Battle Creek for the past two years, and before that time he was in the drug line in the upper peninsula for twelve years.

Mr. Lewis Lawrence who has been in charge of the store for the past four years bought the business of the Smith Drug Co. Mr. Lawrence has made many friends in Holland and has worked up a very good business. He will go to Tulsa, Oklahoma where he has secured a very fine position.

LOCAL CHURCH EXTENDS CALL TO OVERISEL PASTOR

The Fourth Reformed church Tuesday evening extended a unanimous call to Rev. John Steuninberg, pastor of the Reformed church of Overisel. This same church six weeks ago extended a call to the same pastor, but at that time he declined it. Recently he received a call from the Reformed church of Orange City, Ia. which he is still considering. The local church hopes to prevail upon him this time to accept the call.

HOLLAND FAIR WILL HAVE MANY UNIQUE RACES

The racing card this year is going to be very unique from the fact that most of the races are going to be home talent events, which naturally will attract more attention than may come from the outside.

Slow races in which the last man coming in with his horse wins the money always attracts a great deal of attention. Naturally the man entering the horse will not drive his own "nag" for then the race would still be in progress at the next annual event. The owner's of the horses will drive the other fellow's horse and naturally is going to try to come under the wire first, hoping thereby to have his own horse come under the wire last thus winning the race.

There are going to be motorcycle races, and there will be many horses running races which always attract a great deal of attention.

The race program of the Holland fair, Sept. 9, 10, 11 and 12 is as follows:

Wednesday

Slow race—Any presentable horse (no plug) and owned by person entering same for more than 30 days, can enter this race. Three purses are offered, as follows: 1st, \$12; 2nd, \$8; 3rd, \$5. Five horses or more to enter and start in this race.

Bicycle Race—For boys between the ages of 12 to 16, one mile race. Three prizes are offered as follows: 1st premium, one pair of Bicycle Tires; 2nd, a saddle; 3rd, a push horn. These prizes are donated by Bishop & Raffenaud. Five or more bicycles must enter and start in any race.

Running Race—Some of the best runners have been obtained to race on Wednesday and Thursday. Plenty of them. This kind of a race has never been pulled off on our fair grounds before. More exciting than trotting races.

Bicycle race—By boys or men age 16 or over, two mile race. Three prizes are offered: 1st, one pair of bicycle tires; 2nd, handle bars; 3rd, a pair of rubber pedals. These prizes are donated by George Piers.

Thursday

Green Race—By horses owned in our jurisdiction. Any horse eligible that never raced for purse. A purse of \$50 is offered, five horses or more to enter and start in this race.

Hitch and Unhitch Race—Walk 1 mile, trot 1 mile. Three purses are offered as follows: 1st, \$12; 2nd, \$8; 3rd, \$5. Five horses or more to enter and start in this race.

Running Race—Some of the best runners have been obtained to race on Wednesday and Thursday.

Motorcycle Race—By three or four local boys. The best riders known. A purse of \$30 is offered: 1st, \$15; 2nd, \$10; 3rd, \$5.

Friday

Bicycle Race—For Boys, 12 to 16, 1 mile race. 1st, one pair of bicycle tires; 2nd, saddle; 3rd, push horn. Prizes donated by Bishop & Raffenaud. Five or more to start in any race.

Motorcycle race—By three or four local boys. The best riders known. A purse of \$30 is offered: 1st, \$15; 2nd, \$10; 3rd, \$5.

Bicycle Race—By boys or men, age 16 or over. Two mile race. 1st, one pair of bicycle tires; 2nd, handle bars; 3rd, pair of rubber pedals. Prizes donated by George Piers. Five or more bicycle riders must enter and start in any race.

Races, sports and other amusements will be arranged for, which we are unable to publish at this time. There will be three days of real sport and amusement at the Holland fair this year. Special attractions each day. Be sure to come every day.

Make your entries as early as possible. For rules and regulations address Seth Nibbeling, W. Ninth St., Holland, Michigan.

Jasper J. Jennings, aged 80 years died at his home at 619 Central Avenue, Thursday. The deceased was born in Ohio and lived as a farmer in the vicinity of Holland many years, but at the time of his death he was a resident of the city. The funeral was held Saturday afternoon at 1:30 from the home, Rev. J. F. Bowerman officiating.

Miss Nellie Wiltering and Mr. Ernest Kuizenga were Grand Rapids visitors Thursday evening.

CHRISTIAN SCHOOL TO HAVE ABOUT

600 STUDENTS

The School for Christian Instruction in Holland this year is looking forward to a successful year of work. Supt. B. J. Bennink has been busy for some time past getting the courses of study in shape and preparing in a general way for the year of educational work. The teaching force has been engaged, every position being filled and the work was started as scheduled Tuesday morning.

The school attendance the coming year is expected to be larger than it has ever been. While accurate figures are not yet available the number promises to be in the vicinity of six hundred this year. According to the best figures available at this time, the number of pupils in the kindergarten this year will be about thirty-five.

Changes in the teaching force have been made in the first, second and seventh grades. Miss Nellie Lam is a new teacher in the first, Miss Helene De Goede in the second, Miss Anna Van Houw in the seven-one, and Miss Dena Rinck in the seven-two.

The full teaching force will be as follows this year: Kindergarten, Anna Holkeboer; first grade, Minnie Rinck and Nellie Lam; second, Helene De Goede; third, Martha Bos; fourth, Anna DeGoede; five-one, Alice Nyboer; five-two, Matilda Veldman; sixth, Mrs. Benj. Laman; seven-one, Anna Van Houw; seven-two, Dena Rinck; eighth, Jeannette Veldman; ninth and tenth grades: Mr. Bennink, history; Anna De Goede, Latin; Miss Hermine Ruigh, the other branches.

ZEELAND SCHOOL TO HAVE SEVERAL NEW INSTRUCTORS

There will be some changes in the teaching staff of the Zeeland schools this season. The board has engaged a staff of 20 teachers, 11 for the grades, 8 for the High school and 1 for music, having charge over the entire school. Zeeland's principal for next year is Mr. Harold A. Salyer, a graduate of Hillsdale college. Mr. Salyer is from Ionia and comes highly recommended both as a teacher and a scholar. Mamie Kloot of Grand Rapids, Ferne Moore of Holland, Dora Van Loo, of Zeeland, and Albert Bolen of Battle Creek are the new members of the high school faculty for the coming year.

Elizabeth Nykamp, Nella VerHage of Zeeland, and Hattie Brummel of Jamestown are the new members of the staff for the grades. Thelma Sawyer of Kalamazoo has been engaged as supervisor of music for the whole school. With the increased high school attendance it has become necessary to make some changes. The board has fitted up a new laboratory in the kindergarten room and there by better facilities to accommodate the present student body.

The School for Christian Instruction will open again for work on Tuesday. The full force of teachers have been engaged. Miss Gertrude Hofstra from Grand Rapids has been re-engaged as principal for the coming year. The other teachers are Miss Northoff of Montague, Miss Van Kolken of Holland, Miss Mulder and Miss Vander Venen of Grand Rapids.

Bond Buying is Not Confined to the Well-to-do

We know a boy, still in school, who owns several \$100 bonds bought with his savings.

A school teacher has for years been buying \$100 bonds. The interest checks she receives monthly now run into a neat figure.

A factory worker who has never earned over \$22 a week, has for the last 20 years been buying small bonds out of his savings, and his income from these bonds now amounts to over half what he annually earns.

Bonds offer thorough protection for your principal, and provide a steady income. We sell good, safe government, municipal and corporation bonds, paying 6% or better, in denominations of \$100 up.

PLANS ARE LAID FOR WOMAN'S AUXILIARY

That Holland will have a Woman's Auxiliary of the Willard G. Leenhouts Post, American Legion, has now been definitely determined. The first step has been taken, and all that is necessary to complete the organization is to hold another meeting at which the various steps will be taken to make the organization complete. At the preliminary meeting so much enthusiasm was shown that all doubt as to the final success of the matter was dispelled.

A temporary organization has been formed with Mrs. Mayo A. Hadden chairman, Anna Luidens, secretary, and Mrs. Lee Dalman treasurer. These officials have been chosen merely for the time being until the membership shall be more representative of the womanhood in the city whose brothers, husbands, or other relatives took part in the war, when a permanent set of officers will be elected.

A committee has been appointed to draw up a constitution and by-laws. This committee will set to work immediately so that at the next meeting, which is set for Friday night, September 12, they will be able to make a report and submit the document to the organization for approval.

Another important committee named is the membership committee. This committee will make it its business to interest all women in the city who are eligible to membership and urge them to join the organization. It is hoped to have a long list ready for charter membership at the next meeting.

The Woman's Auxiliary of Holland will join the state association and through it will become a member of the national organization. It is hoped to secure a membership of perhaps 150 or more and to affect an organization that will be a power in Holland.

The Beechwood Boosters gave a rabbit supper Friday night. There were thirty members present. A. De Ritter furnished the rabbits. After the supper James Schuiling gave a talk after which there was a general discussion.

THREE FAST GAMES PLAYED HERE

Kalamazoo proved easy picking for the local ball tossers in Saturday's game. The visitors came very highly recommended but were forced to accept a real beating at the hands

of the locals by a score of 11-2.

Muskegon was on the mound for Holland and pitched good ball. Kalamazoo used two pitchers but nothing in the world could stop our boys. About twenty hits were registered and G. Batema secured the longest hit of the season and the only home run thus far at the Water Works Park. The ball went high over the fence and landed on the cement walk on Columbia avenue. No base runners were on the sacks however Nykamp and Jappinga split the five-offered by Getz for the best batting average.

Muskegon motored over for two games on Labor day. The morning game was easily won by Holland. Babe Woldring on the mound showed a real comeback and held the hard-hitting Sawdust lads to a few scattered hits. His delivery was puzzling and time and again pushed his slow ball specialty for the Muskegonites to swing hard at but miss. This game was also featured by the hard hitting of the locals.

The after-dinner play however, was a different story. Muskegon presented their best pitcher, Vander Wier and by the way he has offers from Detroit Americans. He proved to be Holland's undoing allowing but four hits and one run. His fast one mixed in with a fast breaking curve puzzled the Holland swatters.

Steggerda who opposed him on the mound pitched a nice game, but allowed the hits at the critical times. The locals scored their one run when Ashley gained life on an error after two were out and scored when Babe Woldring pounded a fast one thru the box.

Some fast fielding by Bennet in center prevented Holland from scoring in the 5th. With three on and two out Ashley connected with a fast one the ball traveling to right center on a line. It had the earmarks of a two sacker but Bennett Muskegon's fleet-footed center fielder grabbed down the liner after a hard run and retired the side.

Muskegon's score was held down by the spectacular fielding of Babe Woldring, who made a shoe-string catch in short right field and doubling the base runner on first.

Getz again offered \$5 to the team scoring the most runs in one inning and it was tucked away by Muskegon, while Woldring copped the other V for being the most valuable local player of the game.

The score of this game ended 5 to 1.

These games may have closed the baseball season for the locals unless the winners of the state tournament at Grand Rapids this past week can be induced to play Holland next Saturday. Watch the papers for the announcement of the next game.

NOTICE OF HEARING OBJECTIONS TO PROPOSED IMPROVEMENT UNDER ACT 59, PUBLIC ACTS OF 1915, AS AMENDED, OF ASSESSMENT DISTRICT ROAD NUMBER 6

To All Persons Interested in Said Proposed Improvements in the Townships of Park and Olive, Ottawa County, Michigan, and to Park Township, Olive Township and the County of Ottawa.

Whereas a petition has been filed with us as the County Road Commissioners of Ottawa County, Michigan, praying for the improvement of the highway traversing said townships of Park and Olive, described as follows:

Beginning at a point on the intersection of the quarter line of Section 21, Township 5 North Range 16 West, in the Township of Park at what is known as Lakewood Farm, thence northerly on the road parallel to Lake Michigan, and a short distance therefrom following its meanderings to the boundary line between Sections 16 and 21 in Olive township, and

WHEREAS, We as such commissioners are of the opinion that the proposed improvement is necessary for the benefit of the public and would be for the convenience and benefit of the public welfare, and

WHEREAS, We have made our first order of determination stating that the proposed improvement is necessary as aforesaid, and have caused a survey and specifications and estimates of the cost thereof to be made and filed with us as such commissioners together with a plat showing the land included, and

WHEREAS, The specifications made by us are not yet final and will not be made final until after the hearing of objections to the same by all persons interested therein, and

WHEREAS, we have determined the boundaries of the proposed assessment district for improving said highway, and

WHEREAS, It is proposed to improve said road or highway by constructing thereon a road of material to be decided by County Road Commissioners 16 feet in width from the south point on road to the south boundary of Olive township and 9 feet in width north from that said line to the north end of said road together with the proper culverts, bridges, drainage and grading, under the provisions of an act entitled "An Act to Provide for the Construction, Improvement and Maintenance of Highways, for the levying, spreading and collecting of taxes and of special assessments therefor; to authorize the borrowing of money and the issuance of bonds under certain restriction and regulations and limitation; to prescribe the powers and duties of certain officers with reference thereto; and to validate certain proceedings heretofore taken" (Act 59, Public Acts of 1915, as amended).

Therefore all persons affected thereby and the Townships of Park and Olive, Ottawa County, and the County of Ottawa, and all persons owning or interested in any real estate in said townships or county are hereby notified that we will be present at the south end of the proposed improvement, within the proposed special assessment district in the Township of Park, Ottawa County, Michigan, at 10 o'clock in the forenoon, on the 24th day of September, 1919, for the purpose of finally determining the limits of said assessment district.

The proposed assessment district is described as follows:

"All the lands lying between the said road and to the west thereof and Lake Michigan, and all the lands within one half mile to the east of said road."

All being in the townships of Park and Olive, and all persons interested are hereby notified that it is the intention of the Ottawa County Road Commissioners to assess all lands within the limits of said assessment district as finally determined at said hearing on account of the improvement of said highway, according to the plans and specifications on file with the said Road Commissioners at the County Clerk's office at Grand Haven, Michigan.

Given under our hands at Grand Haven, Michigan, this 28th day of August 1919.

AUSTIN HARRINGTON,

WILLIAM M. CONNELLY,

DOUWE BEKUIS,

MORTGAGE SALE

Whereas a default has been made in the payment of the money secured by a mortgage dated the 9th day of April A. D. 1915, executed by Elizabeth Howell and Arthur Howell of the Township of Crocker, County of Ottawa, Michigan to Henry Abel of the Township of Georgetown, County of Ottawa, Michigan, which said mortgage was recorded in Liber 114 of Mortgages, on page 186 on the 10th day of April A. D. 1915, at 1:40 o'clock P. M.

And whereas, the amount claimed to be due on said mortgage at the date of this notice is the sum of Three thousand eight hundred thirty-seven and 60 one hundredths dollars (\$3837.60) of principal and interest and the further sum of Thirty-five Dollars as an attorney fee stipulated for in said mortgage, and which is the whole amount claimed to be unpaid on said mortgage and no suit or proceeding having been instituted at law to recover the debt now remaining secured by said mortgage, or any part thereof, whereby the power of sale contained in said mortgage has become operative.

Now, therefore, notice is hereby given, that by virtue of the said power of sale, and in pursuance of the statute in such case made and provided the said mortgage will be foreclosed by a sale of the premises therein described, at public auction to the highest bidder, at the North Front Door of the Court House in the City of Grand Haven in said County of Ottawa, on the 1st day of October A. D. 1919, at 2 o'clock in the afternoon of that day: which said premises are described in said mortgage as follows: to-wit:

The South three-fourths (¾) of the South East Quarter (S. E. ¼) of Section Four (4), Township Eight (8) North, Range Fifteen (15) West, containing One Hundred twenty (120) acres of land, be the same more or less according to the Government Survey, situated in the Township of Crocker, County of Ottawa, State of Michigan.

Keppel Bros., coal dealers have installed a labor saving device attached to their large coal sheds on 7th street. The new machine is an electric hopper that dips into the loaded coal cars and carries the numerous hoppers filled with coal and attached to a large belt into their coal sheds before which the coal cars are spotted. The device does away with four coal shovelers who were otherwise necessary.

Jake Mellema, formerly a habitual but who for some years has been trodding the straight and narrow path, became gloriously intoxicated Labor Day night, and ran riot in Holland bare-headed, and without much wearing apparel. When he was gathered in by the police who found him wandering around early in the morning, he stated that two strangers in an automobile had given him a drink of whiskey and he remembers nothing afterward. The fine and costs were \$13.70.

RENT IS RAISED IN CITY HALL

COUNCIL ADDS 10 PER CENT TO CHARGE FOR THE ROOMS

The rent of the boards occupying rooms in the city hall has been raised. The council decided last night to boost the rent ten per cent, and after this the boards will have to dig down into their pockets for the added amounts. The raise was decided upon because of the increased cost of fuel and maintenance.

All it will mean however will be that the city will put its hand in one pocket and transfer the money from that into another. The rent of the board having been raised, the boards will merely ask for a larger

budget to meet the raise and the city will pay the bill. Nothing is actually changed by the raise. It is merely a matter of city book-keeping and was decided upon as a convenience.

Mr. and Mrs. Leon Boyland of Detroit have been the guests of Mrs. Boyland's mother, Mrs. Mary De Graaf, West 15th-st. over Labor day. FOR SALE—Forty acres Mason County, 2 1/2 miles from R. The Uncertainty of Individual Executors

THE uncertainty of life is a drawback to appointing any individual, executor of your will. The man of maturity and good judgment whom you name today as executor, may, before your will is executed, be dead, incapacitated, removed or otherwise unable to serve.

Naming a son, or any young man, is generally unwise. In twenty years the young man may have proved his unfitness for such trust, may be dead, or may be too busy with other affairs to give your will proper attention. But the Grand Rapids Trust Co. never dies, never becomes incapacitated, never moves away, never is too busy. Whenever needed its services can be depended upon.

Make your will without delay. Name the Grand Rapids Trust Co. executor. If your will is made, consider the advantages of our service.
